

**UNIVERSITY OF CALIFORNIA, BERKELEY
RICHMOND FIELD STATION
MONTHLY SUMMARY REPORT**

NOVEMBER 16, 2009

This monthly summary report (MSR) summarizes environmental site investigation and remediation activities conducted on behalf of The Regents of the University of California (UC) at the University of California, Berkeley's Richmond Field Station in accordance with Section 6.3 of the California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) Site Investigation and Remediation Order (Order), Docket No. I/SE-RAO 06/07-004, effective on September 20, 2006.

a. Specific actions taken by or on behalf of Respondents during the previous calendar month (October 2009).

- Implementation of invasive plant control continued as required by the *Invasive/Exotic Vegetation Management Program*.
- Semi-annual stormwater samples were collected from Western Stege Marsh on October 13, 2009 as required by the *Groundwater, Surface Water and Sediment Monitoring Plan*. This sampling event completes the early season storm sampling activity for the Western Stege Marsh Monitoring Year 5 (2009) required by the monitoring plan.
- Feral animal trapping was completed as required by the *Feral Animal Management Program*.

b. Actions expected to be undertaken during the current calendar month (November 2009).

- Implementation of invasive plant control will continue as required by the *Invasive/Exotic Vegetation Management Program*.
- Feral animal trapping will be completed as required by the *Feral Animal Management Program*.
- Semi-annual surface water and sediment samples will be collected from Western Stege Marsh as required by the *Groundwater, Surface Water and Sediment Monitoring Plan*.

c. All planned activities for the next month (December 2009).

- Implementation of invasive plant control will continue as required by the *Invasive/Exotic Vegetation Management Program*.
 - It is anticipated that UC Berkeley will submit the final FSW to DTSC in December, within 30 days following DTSC's concurrence with UC Berkeley's response to DTSC's comments on the draft FSW.
- d. Any requirements under the Order that were not completed.
- None.
- e. Any problems or anticipated problems in complying with this Order.
- Completion of the Field Sampling Workplan and other tasks is dependent on the ability to meet with DTSC staff on a timely basis and may require adjusting schedules and extensions of deadlines.
